COMPANY PROFILE

Growmax at a Glance

Growmax Medicare, entered the Indian generic pharmaceutical market in 2008 with a modest product range. Company has grown from strength to strength and earned a reputation for itself as one of the leading generic pharmaceutical companies in India. Growmax has witnessed exemplary growth over the past few years and boasts of diversified product portfolio (around 650 products currently) along with ever expanding sales distribution network. Our success is driven by a combination of highly competent & motivated team, high quality products & services at an affordable price. Our products are well accepted by healthcare professional & end users across geography.

In the fiercely competitive Indian pharmaceutical industry environment, Growmax scores over with strong brand equity, unique product range & solid customer relationships. In a short span of time, we have added numerous quality products in our portfolio which will offer significant depth to the existing product pipeline. The products we market go through various quality checks & stringent standards of stability following all GMP compliance measures.

We, at Growmax Medicare pride ourselves on delivering high quality products at an affordable price. With quality as the foundation of our venture, our products have made an enviable place for themselves in their respective market categories.

In pursuit of excellence, the group is forging ahead with its expertise and experience, constantly laying emphasis on customer satisfaction & trust through strict quality control. Company believes in Quality Products, Affordable Price, Constant Innovation & Quick Delivery.

“At Growmax, we believe our work is not just about making medicines, it's about making a difference”

Our Vision

Our vision is to be a leading healthcare & personal care products company in India by providing high quality, affordable and innovative therapeutic solutions.

Our Mission

We pledge to provide total customer satisfaction and achieve leadership in chosen markets, products & services across the globe whilst ensuring highest standards of quality.

OUR VALUES

Innovation: Create an environment that fosters creativity and openness to new ideas leading to advancement in skills, technology and processes.

Performance Focus: Determined to achieve our business objectives and explore opportunities for accelerating growth.

Customer Delight: Achieve excellence in our products and services to exceed customer expectations and build long term relationships.

Care for Society: Be responsible corporate citizens and consciously commit to social and environmental causes.

Ownership and Collaboration: Own and deliver our commitments as a team. Strive for collaborative efforts, nurturing mutual respect and transparency.
